

## Carrier to Host Investor and Analyst Meeting

January 21, 2020

### Company to outline growth strategy and provide 2020 outlook

PALM BEACH GARDENS, Fla., Jan. 21, 2020 /PRNewswire/ -- [Carrier](#), a leading global provider of innovative heating, ventilating and air conditioning (HVAC), refrigeration, fire, security and building automation technologies, will broadcast its pre-spin Investor and Analyst Meeting on Monday, Feb. 10, 2020.

Carrier is currently a unit of United Technologies Corp. (NYSE: UTX), and is preparing to become a standalone, publicly traded company in the first half of 2020.

The meeting is scheduled for 9:00 a.m. ET and will be webcast live on [www.utc.com](http://www.utc.com). During the event, Carrier President & CEO David Gitlin and members of the Carrier senior leadership team will outline their strategy to strengthen the company's leadership positions across key markets. The corresponding presentation will be available on the website prior to the meeting, and the broadcast will be archived on the website following the event.

As a global provider of sustainable building and refrigeration solutions, Carrier is committed to making the world safer and more comfortable for generations to come. Supported by the iconic Carrier name, the company's portfolio includes industry-leading brands such as Carrier, Kidde, Edwards, LenelS2 and Automated Logic.
